

# Congratulations on your new AMH Home!

Your home has been equipped with smart devices to help you save energy and money!

Receive **\$150** after successfully enrolling in Duke Energy Progress' smart thermostat program, plus a **\$50 bill credit** each year you participate.

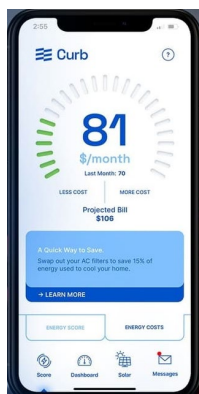

## 3 Easy Steps:

- 1 Visit [Enroll My Thermostat](#) to sign up for the Duke Energy Progress [EnergyWise® Home](#) program.
- 2 Email us at [INFO@ncconnectedcommunities.com](mailto:INFO@ncconnectedcommunities.com).
- 3 We will activate your Curb home energy monitoring services and provide you with additional information!

Contact the Study Team and enroll within 1 week of move-in to maximize your savings!

*As a resident in this community, your home is set up for enrollment in an innovative Connected Communities research study with [Duke Energy](#), [AMH](#), and the [U.S Department of Energy](#) to help electric utilities identify more ways to cleanly and efficiently serve their customers' energy needs.*

Your **FREE Curb Home Energy Monitoring System** will provide you with access to real-time data so you can save money and make smarter decisions about how you use energy in your home.

Learn more about your community and the NC Connected Communities study: [www.ncconnectedcommunities.com/amh](http://www.ncconnectedcommunities.com/amh)

Your usage data will be used to help Duke Energy and the study team learn how energy is used in your home. Data collected will be made anonymous and remain confidential. Your feedback will be requested through periodic surveys to help the study team understand your experiences with this program and the technologies in your home.
